A **MAZZELLA** COMPANY

Sheffield Metals International Hereby Certifies

***Green Knight
Metal Roofing***

***AS A CERTIFIED INSTALLER OF
SHEFFIELD METALS INTERNATIONAL ENGINEERED METAL ROOF SYSTEMS***

Sheffield Metals International (here after "SMI") certifies that the above installer company is certified to install all SMI Roof Systems and as such has access to all Weathertight Warranties, including workmanship and materials, provided by SMI when using SMI products. Under the terms of this certification the company will guarantee at the company's own expense a two year, consecutive twenty-four month leak free roof on the SMI Roof System that was installed. Let it be known that the installers and the company are not SMI agents, employees, contractors, or representatives. This certification must be renewed one year from the date of issue.
